

## 2015 TOOL STORAGE CONVERSION PROGRAM

### Program Details:

- A 10% rebate is offered to the end-user on purchases of the JOBOX brand.
- The rebate is paid on all purchases beyond the base amount when the year over year net sales growth in the brands exceeds \$25,000.
- The rebate-eligible sales are from the start date written below over a 12 rolling month period, less all taxes and freight charges.
- Proof of performance (invoice copies, reporting documents, or other approved documentation) must be provided for the previous 12 months tool purchases which cover both Apex products purchased as well as total jobsite tool storage spend. A similar report will be generated at the end of the rebate period for payout purposes.
